Personal information.

- Born: December 12, 2003; Zhejiang, China
- Nationality: Chinese
- Webpage: <https://zhenye03.github.io>

Education.

- Ph.D. in Mathematics, The Chinese University of Hong Kong, August 2026 – present
Advisor: Prof. *Juncheng Wei*
- B.S. in Mathematics, Hangzhou Normal University, September 2022 – June 2026
Advisor: Prof. *Zhiyuan Xu*

Research Interests.

- Partial Differential Equations and Geometric Analysis, including nonlinear elliptic PDEs and geometric measure theory.

Awards.

- S.-T. Yau College Student Mathematics Contest: Chern Award, 2025
- S.-T. Yau College Student Mathematics Contest: Analysis and Differential Equations (Rank 86), 2024
- Chinese Mathematics Competitions (CMC), First Prize, 2022

Selected Talks.

- *Phase transition, Minimal surfaces and De Giorgi conjecture*, Global Riemannian Geometry Seminar, December 2025, ZJU
- *The geometric topology of frontal surfaces*, 2024 International Workshop on Geometry, Topology of Singular Submanifolds and Related Topics, August 2024, NNU

Workshops & Summer Schools Attended.

- Geometric Partial Differential Equations Conference, January 2026, AMSS
- Summer School in Geometry and Analysis, July 2025, USTC Institute of Geometry and Physics
- Partial Differential Equation Advanced Workshop, June 2025, ZJU
- Summer School on Differential Geometry, August 2024, PKU BICMR
- Summer School in Geometry, July 2024, USTC Institute of Geometry and Physics

Seminars Attended.

- Elliptic Partial Differential Equations Seminar, September 2025 – January 2026, Online
- Riemannian Geometry and Geometric Analysis Seminar, August 2024 – March 2025, HZNU
- Algebraic Topology Seminar, August 2024 – December 2024, HZNU

Teaching Experience.

- Teaching Assistant, Differential Geometry (Honors), Spring 2025 & Spring 2026, HZNU (Instructor: Prof. Zhiyuan Xu)
- Teaching Assistant, Analytic Geometry, Autumn 2025 & Autumn 2026, HZNU (Instructor: Prof. Zhiyuan Xu)
